

WELCOME TO SUMMER SCHOOL 2015

June 8 to June 26, 2015

*It's time for summer school!
Let's have a great summer school session!*

St. Mary's International School

Thank you for downloading
our Summer School booklet
from our website at
<http://summer.smis.ac.jp>

Dear Parents,

It's time to get ready for Summer School 2015! St. Mary's offers a great summer school program full of fantastic opportunities for learning and fun! This year we are again doing **all registrations online** so please go to our website and reserve your space for a great summer school experience.

Summer School runs for three weeks, Monday through Friday, starting on June 8 and ending on June 26. We again have many excellent courses from which to choose. Some of the courses have limited enrollment so apply early; they are open to everyone on a first-come, first-served basis. Girls and boys from other schools are welcome to join any of our courses although we encourage them to attend the English and Math courses at their own schools if they are offered there.

You should presume that the courses you sign up for are available. If, after using your first and second choices, any of your course choices should be full or closed, we will contact you. If you have any questions, please contact Mr. Tierney at tierneys@smis.ac.jp. A schedule of the courses for which you are registered as well as the invoice will be mailed to you at the end of May. Identity badges, which students will wear every day during our Summer School, will be handed out on the first day of classes.

Please be reminded that there is no discount for partial summer school attendance. Of course students may still sign up for only one or two weeks but the tuition fees for Summer School will remain unchanged. This is due to the operational costs of running Summer School and we appreciate your understanding. Also, please note that there is a ¥10,000 processing fee for all non-St. Mary's students.

We have a great program waiting for you again this summer. Welcome to Summer School 2015!

Michael P. DiMuzio

REGISTRATION IS ONLINE @
