St. Mary's school uniforms can always purchase at the Takashimaya department store in Yokohama. This means that should you miss this on campus uniform sale, you can always purchase St. Mary's school uniforms at the Takashimaya department store in Yokohama.

The Takashimaya in Yokohama is immediately accessible from Yokohama station, and on the 6th floor there is a section dedicated to the sale of school uniforms. Please ask for St. Mary's school uniforms at this school uniforms section on the 6th floor. (At this time St. Mary's uniforms are only available at the Yokohama branch as the Futakotamagawa branch does not have the staff required to handle school uniforms.) Should you know your child's sizes and need no alteration, Takashimaya will accept orders by fax. Furthermore, all orders can be couriered to you home for a nominal charge. Please allow approximately one week for delivery (out of stock items may take longer delivery time.). Fax order forms are available on the school website.

Whether you are looking to purchase new uniforms from Takashimaya or used ones from SMA, don't miss this opportunity to purchase school uniforms on campus.
